Mobile radio / Base station

Increases your reach

A mobile radio or base station is exceptionally well-suited for situations in which distances between users are an issue. The use of an external antenna and relatively greater power than a two-way radio allows you to communicate over greater distances. The equipment is ready-to-use and can be connected to a normal power supply.

RENTAL PERIOD - PRICES PER DAY	DAY	WEEK	MONTH	2 MTHS	6 MTHS	1 YEAR
